Re: Industrial Contracts - Newfoundland & Labrador
Hydro's 2001 General Rate Application

Dear Ms. Blundon/Commissioners of the Board:

Please find enclosed Industrial Contracts to replace the proposed contracts that were filed with Hydro's Application. Please note that the enclosed contracts have been further revised from those that were filed with the Board on December 20, 2001. The changes from the December 20, 2001 filing comprise typographical corrections, a change to the corporate name and incorporating jurisdiction of Abitibi-Consolidated, and revisions required to reflect the change of the name of the Province to Newfoundland and Labrador. Also, there were slight revisions to the wheeling provisions in both Abitibi-Consolidated contracts.

We trust this is satisfactory.

Yours truly,

***NEWFOUNDLAND AND
LABRADOR HYDRO***
