

1 Q. On page 8, lines 12 to 21 of her Prefiled Testimony, Ms. McShane indicates
2 that Newfoundland Power periodically performs a lead/lag analysis. How
3 does Newfoundland Power's current lead/lag analysis compare to
4 Newfoundland & Labrador Hydro's lead/lag analysis both in terms of days,
5 and in percentage terms? Reconcile any differences.

6

7

8 A. Newfoundland and Labrador Hydro does not have detailed information with
9 respect to Newfoundland Power's current lead/lag analysis to enable it to
10 provide the comparison and reconciliation requested.
