

- Q. On page 5, lines 10 to 12, Mr. Brockman indicates that he has testified that the proposed operation of the RSP should be changed to give Hydro more incentive for efficiency. Is Mr. Brockman referring to the changes proposed in his Direct Testimony, page 9, lines 14 to 23, or are there other changes to the RSP that Mr. Brockman is proposing that will give Hydro more incentive for efficiency?**
- A. Mr. Brockman was referring only to the changes he addresses in his pre-filed evidence and supplemental evidence in this proceeding.
