

1 Q. Provide Newfoundland and Labrador Hydro's rate application of 1991 including Pre-filed  
2 testimony and the Board's report in response dated April 13, 1992. The Lieutenant-  
3 Governor in Council's response to the Board's report.

4  
5 A) Provide Newfoundland and Labrador Hydro's rate application of 1991 including  
6 Pre-filed testimony.

7  
8 As per subsequent direction received by telephone on July 19, 2001, attached is  
9 the pre-filed testimony relating to the Newfoundland and Labrador Hydro's rate  
10 application of 1991.

11  
12 The pre-filed testimony contains two Single Line Diagram identified as Schedule  
13 VII and VIII of the pre-filed testimony of H.G. Budgell these diagrams show the  
14 Island Interconnected System and the Labrador Isolated System respectively. The  
15 Board does not have the capability of reproducing these in house and therefore  
16 they are not provided at this time. These diagrams are available for viewing at the  
17 Board's offices, or, if the Consumer Advocate deems it necessary, the Board will  
18 arrange to have them reproduced elsewhere.

19  
20 B) Board's report in response dated April 13, 1992

21  
22 A copy of the Board's report dated April 13, 1992 on a Referral by Newfoundland  
23 and Labrador Hydro for proposed rates to be charged Newfoundland Light &  
24 Power Company was forwarded to you on July 6, 2001 as per your previous  
25 request.

26  
27  
28 C) The Lieutenant-Governor in Council's response to the Board's report.

29  
30 A copy of the Lieutenant-Governor in Council's response is attached.
