

1 Q. Provide all of the Board's Report's/Decisions since 1996 related to regulation of
2 electric utilities. The Board's 1999-2000 Annual Report (page 13) indicates that
3 the Board was in the process of preparing a report to be submitted to Government
4 (for input to Government's Energy Policy Review) on the scope and mode of
5 regulation of electric utilities. On page 15, the Board indicates that a position
6 paper would be prepared for Government on alternative methods of regulation
7 such as incentive-based and performance-based regulation. Provide the same.
8

9 A) Provide all of the Board's Report's/Decisions since 1996 related to
10 regulation of electric utilities.

11
12 As per subsequent direction received by telephone on July 19, 2001 attached are
13 orders that are specific to items related to Newfoundland and Labrador Hydro's
14 rates as impacted by changes to Newfoundland Power's Rate Schedules as well as
15 orders approving Hydro's Capital Budgets and other matters. Also attached is
16 P.U. 17(1997-1998) approving Newfoundland Power Inc.'s application associated
17 with the Rose Blanche Brook Hydro Development Plant.
18

19 Also attached is a comprehensive listing of all decisions under the Public Utilities
20 Act since 1995 for your further review.
21

22 B) The Board's 1999-2000 Annual Report (page 13) indicates that the Board was in
23 the process of preparing a report to be submitted to Government (for input to
24 Government's Energy Policy Review) on the scope and mode of regulation of
25 electric utilities. On page 15, the Board indicates that a position paper would be
26 prepared for Government on alternative methods of regulation such as incentive-
27 based and performance-based regulation. Provide the same.
28

29 Due to the uncertainty of the status of the Energy Policy Review, the Board did
30 not prepare either document.
