5 ANSWER:

6 The following Information Request was submitted to Newfoundland Power:

7

8 Would Newfoundland Power and its customers benefit from a wholesale
9 tariff with Hydro that included an Interruptible Service option?

10

11 At the time of writing this reply, Mr. Bowman does not have the benefit of
12 Newfoundland Power's response. However, Mr. Bowman is of the opinion that
13 Newfoundland Power is interested in any opportunity to reduce its power
14 purchase costs and, in turn, the costs to its customers.
