

1 Q. What is the net change in cost for 2002 to each of Hydro's Customer classes
2 and to each of the Industrial Customers which will result from the proposed
3 changes in Hydro's depreciation policies?
4

5
6 A. Please refer to IC-29 for the net change in cost to each of Hydro's customer
7 classes.
8

9 Costs are not available for each Industrial customer. However, the decrease
10 in revenues from each Industrial customer, based on the revenue
11 requirement differences estimated in IC-29, are as follows:
12

13	Abitibi Consolidated – Grand Falls	\$ 58,000
14	Abitibi Consolidated – Stephenville	197,000
15	Corner Brook Pulp and Paper Co. Limited	182,000
16	North Atlantic Refining Limited	83,000
