

1 Q. Provide the same information with respect to the DoYLES-Port aux Basques  
2 system re-assignments?

3

4

5 A. The cost implications are as follows:

6

7 Newfoundland Power \$110,000 decrease

8 Island Industrial Customers \$94,000 increase

9

10 Note that these numbers do not incorporate any changes to revenues, or any  
11 related impacts associated with interest and return on rate base, from those  
12 filed in Exhibit JAB-1.
