

1 Q. Indicate how much of the actual fuel costs for No. 6 fuel consumed in each  
2 year from 1992 - 2001 inclusive was charged to the RSP, how much of such  
3 charges to the RSP were passed through to NP and IC respectively, and  
4 what impact such RSP pass through had on average rates charged to NP  
5 and IC respectively.

6

7

8 A. Please see responses to IC-73 and PUB-59. Schedules showing the RSP  
9 impact on rates is attached.
