

1 Q. With reference to IC-7, does the column “subsidy portion” contain the amount
2 that the Industrial Rate Stabilization Plan was increased due to re-allocation
3 of interconnected rural costs to Industrial Customers? If not, for each of the
4 years 1992 - 1999, provide the amount of subsidy re-allocated to Industrial
5 Customers through the Rate Stabilization Plan
6

7 A. IC-7 excludes RSP. The rural amount allocated to Industrial Customers
8 through the RSP for each of the years 1992-1999 is as follows:
9

10	<u>Year</u>	<u>\$ (in thousands of dollars)</u>
11	1992	(110)
12	1993	52
13	1994	(728)
14	1995	4
15	1996	250
16	1997	589
17	1998	208
18	1999	163
