

1 Q. Evidence of Derek Osmond

2 Reference: Page 12, Line 30

3 a. What was the basis for the Board's 1993 Report recommendation of a
4 single cost of service study for the Labrador Interconnected system?

5

6 b. Please provide a copy of the report and any material regarding
7 Hydro's position regarding that recommendation.

8

9

10 A. a. See response LC-6 part b.

11

12 b. Report provided in response to LC-1. Hydro proposed the Labrador
13 Interconnected System as a single system and this was approved by
14 the Board. Therefore, Hydro agrees with the Board's recommendation
15 in this regard.
