

1 Q. Provide the PUB Order which is relied upon at WEW, page 3, lines 19-22
2 which states “That portion of the costs previously paid by Hydro’s Island
3 Industrial Customers for the rural subsidy must be allocated to Hydro’s other
4 customers by Order of the Board”.

7 A. The statement is not intended to refer to an existing Order of the Board. It
8 refers to the fact that the costs, previously paid by Hydro’s Island Industrial
9 Customers for the rural subsidy, may only be allocated to other customers of
10 Hydro by the Public Utilities Board. This is one of the subject matters of the
11 Application, which is to be dealt with by the Board.
