

1 Q. Re: p. B-7 Perform Feasibility Study- Wind Request for Proposals (\$200,000)

2

3 1.1 What is the deadline for receipt of proposals? Have any expressions
4 of interest been received to date? What is the current status of this
5 project?

6

7

8 A. 1.1 The deadline for the receipt of proposals to Hydro's Request for
9 Proposals (RFP) for a Wind Demonstration Project was January 31,
10 2001. Hydro received 10 submissions to its RFP. Currently a feasibility
11 study is underway by the successful proponent, The NeWind Group,
12 which is scheduled to be completed by June 2002.
