

1 Q. RE: p. B-21 Purchase and Install Closed Circuit Surveillance System –  
2 Holyrood (\$152,000)

3

4 13.1 Has there been an overall review of the security systems in place at all  
5 Hydro sites? If so, provide a copy of the report.

6

7 13.2 Are detailed reports kept of vandalism and thefts at Hydro sites? If so,  
8 provide a report, showing details for each site, of the damages and  
9 costs for each year from 1995 – 2000.

10

11

12 A. 13.1 No, there has not been an overall review of the security systems  
13 in place at all Hydro sites.

14

15 13.2 Accident/Incident Investigation Reports are done for cases of serious  
16 loss or damage at the generating plant sites. A summary of the  
17 reports for incidents involving theft or vandalism at Hydro's Production  
18 facilities is as follows:

<b>Year</b>	<b>Location</b>	<b>No. of Incidents</b>	<b>Cost</b>
2000	Holyrood	6	\$18,700.00
1999	Holyrood	10	\$3,799.00
1999	Salmon River Spillway Structure	1	\$300.00
1998	Holyrood	9	\$3,088.00
1997	Holyrood	6	\$1,420.00
1996	Holyrood	4	\$1,350.00
1996	Paradise River	1	\$12,000.00
1995	Holyrood	2	\$1,500.00

- 1           A similar summary of incidents at Hydro's Transmission and Rural  
2           Operations facilities is as follows:
