

- 1 Q. 63.1 Why does Hydro propose to delay the elimination of preferential rates
2 for fish plants, churches, community halls, government departments
3 and agencies? What would be the effect on revenue requirement in
4 2002 if these rates were totally eliminated at December 31, 2001?
5 Has a five-year plan been designed by the company? Provide details.
6 (WEW, p. 9, lines 11 - 13)
7
- 8 A. 63.1 Please see response to NP-150 and NP-152.
