

1     Q.     On page 9, lines 25 to 27 and page 10, lines 1 to 4 of Mr. Reeves' Pre-filed  
2           Evidence, he indicates that Diesel System Representatives provide more  
3           flexible, multi-skilled personnel at each isolated diesel location.  
4

5           (a)    Are these staff members assigned only to work related to diesel  
6           systems?  
7

8           (b)    Do they generally live in the isolated community? If not, how are they  
9           dispatched to worksites?  
10

11  
12     A.     (a)    Yes, these staff members are assigned only to work related to diesel  
13           systems.  
14

15           (b)    Diesel System Representatives generally live in the communities they  
16           service, but on occasion they may perform work in other diesel  
17           systems. Examples include filling in for another Diesel System  
18           Representative on sick leave, filling in for vacancies while new  
19           candidates are being recruited, or during emergency situations.
