

1 Q. On page 24 of the Finance and Corporate Services Evidence provided by
2 John C. Roberts it states "Consumable items (for example, electrical tape,
3 safety gloves) used on a day-to-day basis, are now placed in bulk on the
4 shop floor and readily accessible to workers".

5

6 (a) How much is spent on consumables in any given year?

7

8 (b) Are there any controls in place to prevent employees from abusing this
9 new policy?

10

11

12 A. (a) In any given year approximately \$450,000 was charged from inventory
13 for consumables.

14

15 (b) Yes, consumption of consumables is monitored and action taken
16 where necessary.
