

- 1 Q. In the response to CA-24 NLH, it is stated that NLH has not recently
2 reviewed the merits of forming a separate department with the sole purpose
3 of serving rural and isolated customers. Has NLH studied the organizational
4 structure used at BC NLH (sic) for serving isolated communities and, if so,
5 what were the results of the study?
6
7
8 A. Hydro has not studied the organizational structure used at BC Hydro for
9 serving isolated communities.
