

1 Q. Further to the response to CA-148 NLH, please propose a redesign of the
2 rate stabilization plan that meets the goals of the plan while increasing the
3 incentive to NLH to minimize the cost of supply to consumers.

6 A. As outlined in CA-148 NLH the purpose of the Rate Stabilization Plan is to
7 provide stability in customers' bills. The Rate Stabilization Plan is not an
8 appropriate mechanism to also provide incentives as suggested in the
9 question.
