

1   Q.    Further to the response to CA-113, please show where the \$1 million savings  
2       owing to the reliability centered maintenance program are accounted for in  
3       the revenue requirement determination.

4

5

6   A.    Please refer to Transmission and Rural Operations Evidence, Schedule V.  
7       The savings attributable to the Reliability Centered Maintenance program are  
8       reflected in the TRO Division Net Operating Expenses for 2004 primarily in  
9       the areas of Salaries and Fringe Benefits, System Equipment Maintenance  
10      and Travel.
