

1 Q. Further to the response to PUB-150 NLH (referenced in the response to CA-  
2 145 NLH) is treatment of the NP generation credit under Option 3 (*sic*)  
3 consistent with the treatment of Industrial Customers that have their own  
4 generation?

5

6

7 A. It is similar with respect to each using its generation to manage its net load  
8 requirements.
