

1     Q.     On page 9, lines 29 to 31, and page 10, lines 1 to 6, of Mr. Banfield's Pre-  
2             filed Evidence, 1<sup>st</sup> Revision, he indicates that Government departments are  
3             charged rates based on full cost recovery. He goes on to say that rates for  
4             these customers will decrease 8.1% because of the combined costing of  
5             government and non-government GS customers. Please confirm that the  
6             revenue to cost ratio for government departments is 100%, and if not, please  
7             explain why not.
