

1 Q. (a) To supplement its income and to support a large pool of in-house
2 expertise, has NLH ever considered using its expertise to provide
3 services on a commercial basis to markets outside the province?
4

5 (b) Do other Canadian utilities do so?
6
7

8 A. (a) Yes. Hydro considered it on a limited basis, however limited
9 resources and other priorities have prevented it from being pursued.
10

11 (b) Yes. Hydro understands that some do but we do not have specific
12 knowledge of these activities.
