

1    Q.    Please confirm that, per Appendix B of Exhibit JRH-3, the assignment of  
2           GNP generating assets to common results in an increase to the costs  
3           assigned to NP by \$1,202,115 and to IC of \$191,154 for a total impact of  
4           \$1,348,283.

5  
6  
7    A.    In accordance with Appendix B of Exhibit JRH-3, the assignment of GNP  
8           generating assets to common results in an increase to the costs assigned to  
9           NP by \$1,202,115 and to IC of \$191,154, before rural deficit and revenue  
10          credit allocation.
