

1    Q.    Please confirm that the current 'new RSP' does not require Hydro to  
2            reallocate Production Demand or Transmission Demand related costs  
3            (similar to IC-271 (Rev) from the 2001 hearing), as was required under the  
4            RSP prior to 2001. If not confirmed, please provide data comparable to IC-  
5            271 (Rev) (2001) for all RSP actuals 2001-2003.

6  
7  
8    A.    The 'new RSP' does not require Hydro to reallocate Production Demand or  
9            Transmission Demand related costs.
