

- 1 Q. Has Newfoundland Hydro done any review of industrial customer demand
2 values used for billing or cost-of-service purposes in other jurisdictions in
3 Canada? If so, has Hydro identified any other regulated utilities that prepare
4 a cost-of-service or billing based on the same approach used by Hydro? Has
5 Hydro identified any that prepare a cost-of-service or billing based on a
6 different approach used by Hydro? If so, please explain any differences.
7
- 8 A. Hydro has not done any review of industrial customer demand values used
9 for billing or cost-of-service purposes in other jurisdictions.
