

1 Q. Regarding Exhibit JRH-3 please indicate the loads (peak and energy) and
2 revenues arising from service by Hydro on the Burin peninsula, separating
3 sales to NP from sales to Hydro Rural.

4

5

6 A. Sales to NP on the Burin Peninsula for 2002 were \$11.3 million. The load
7 was 246,770 MWh and the peak demand was 58.7 MW. Rural sales were
8 \$129,000 with a load of 1,309 MWh. Peak demand is unavailable for rural
9 customers.
