

1 Q. Regarding IC-124 please confirm that in the operation of the RSP prior to
2 2002, the RSP continued to include in the load variation component the 1992
3 forecast loads of Albright and Wilson and Hope Brook.

4

5

6 A. Yes. Prior to September 2002 the RSP load variation was calculated using
7 the 1992 COS load forecast, which included forecast loads for Albright and
8 Wilson Americas and Royal Oak Mines Inc.
