

1 Q. Please indicate what options Hydro considers to be available for supplying
2 the forecast capacity/energy deficits in the 2010 to 2012 period. Do the
3 options include new hydro on the island? increased oil generation? coal?
4 interconnection to Labrador? other options?

5

6

7 A. The information requested is not relevant to the matters in this proceeding
8 and is not required for a full understanding of the issues to be considered by
9 the Board in this hearing.
