

1 Q. Outline in detail the staff employed by Hydro in the Happy Valley – Goose
2 Bay area for each of the past five years.

3

4

5 A. The table attached outlines the permanent staff employed by Hydro in the
6 Happy Valley – Goose Bay area for the years 1998-2002 as of December 31
7 each year. Staffing includes management and personnel for the Labrador
8 Region, Customer Service Office staff, and maintenance personnel
9 responsible for maintaining nine diesel communities on the coast of
10 Labrador, from Black Tickle to Nain. This does not include full time personnel
11 stationed in the isolated diesel communities.
