

1 Q. **Reference: Exhibit RDG-1, Page 89, Line 5**

2
3 Please identify the locations of the Terminal Stations, the dates when the
4 Terminal Stations were installed and the gross and net cost of each.

5

6

7 A. There are two terminal station locations in Labrador to support TL240 located
8 at Churchill Falls and Happy Valley. The in-service date for these two
9 stations was January 1, 1978.

10

11 The gross cost per Exhibit RDG-1, page 89 line 5 is \$5,334,238. There was
12 no contribution on these stations.

13

14	Churchill Falls	\$ 2,366,404
15	Happy Valley	<u>2,967,834</u>
16	Total terminal stations	<u>\$ 5,334,238</u>
