

1 Q. What percentage of costs related to the Wabush Terminal Substation is paid
2 by Hydro?

3

4

5 A. This terminal station is owned by Twin Falls Power Corporation Limited
6 (TWINCo). The capital and operating costs of certain facilities referred to as
7 the third and fourth expansions are paid for wholly by the Iron Ore Company
8 (IOCC) of Canada. Hydro uses these facilities to supply customers in
9 Labrador West and pays IOCC for 53.6% of the associated costs. Hydro is
10 not responsible for any of the other costs in the station.
