

1 Q. Who pays the balance of the costs associated with the Wabush Terminal
2 Substation?
3
4

5 A. TWINCo is responsible for all costs up to and including the second
6 expansion of the station and recovers these from its customers, Wabush
7 Mines and IOCC. IOCC is responsible for the third and fourth expansion
8 costs and recovers 53.6% of these costs from Hydro. All remaining
9 expansion costs are recovered by TWINCo from IOCC.
