

1 **Q. (Re: Discussion Paper on the Rate Stabilization Plan, page 17)**
2

3 **Please provide a listing of other jurisdictions and utilities that use a fuel price index**
4 **to adjust rates and the indices used.**
5

6
7 **A.** We have not conducted a survey on this topic and therefore do not have a listing of other
8 jurisdictions and utilities that use a fuel price index. Our comments in the Discussion
9 Paper were general in nature and intended to provide information as to how such a
10 mechanism might work.
