

- 1       Q.     Under terms of the expired Interruptible "B" contract, how many  
2             occasions per year could Hydro call upon an interruption?  
3  
4       A.     The Interruptible B rate contract requires that Abitibi interrupt its firm  
5             power supply up to 25 times (Article 3.01) and that above 25 times per  
6             year Abitibi has discretion as to whether to interrupt under this  
7             contract.
