1 Q. Please provide the current ACCC newsprint price in \$(US)/tonne and a
2 listing of all changes in price/tonne that occurred in ACCC's North
3 American and other markets over the past 5 years.

4
5 A. The current ACCC newsprint prices and the changes in price/tonne are
6 confidential commercial information. The publicly available information
7 from ACCC's annual reports is the average mill net for all newsprint
8 sales and is listed in \$(Can) / tonne. The mill net is the sales
9 transaction price less shipping, sales expense, and claims.
