

1 Q. Further to NP-128 NLH: Confirm that the cost of providing energy at
2 Holyrood on a ¢ per kWh basis is approximately the same for all months of
3 the year.

4

5

6 A. The cost of providing energy from Holyrood on a ¢ per kWh basis is
7 approximately the same for all months except for the effect of fuel cost
8 changes due to fuel purchases in each month and assuming equal unit
9 output levels.
