

1 Q. What would have been the actual No. 6 fuel expense compared to budget if
2 the Board had accepted Hydro's application in 2001 requesting a re-basing
3 to \$20/bbl? **(JRH p. 23, line 25)**

6 A. The actual No. 6 fuel cost compared to budget would be unchanged.
7 However, the balance in the RSP (Line 11 JCR Schedule II) would be greater
8 by approximately \$15.5 million.
