

1 Q. For all service and connection fees described in PUB 157 NLH and PUB 158
2 NLH, please describe the specific customer charge or rate as well as the
3 basis (cost or otherwise) for that rate.

4

5

6 A. The specific customer charges and rates are contained in the proposed
7 Rules and Regulations submitted in response to PUB-157 NLH. Since Hydro
8 has, with minor exceptions, the same set of Rules and Regulations as
9 Newfoundland Power, the basis (cost or otherwise) for these rates is
10 Newfoundland Power's costs.
