

1 Q. Mr. Banfield's Evidence, page 15, lines 2 to 7, referenced the impact of
2 proposed rates for isolated rural street and area lighting service, Government
3 agencies. He stated, "...customers will see an average increase of 22.9%,
4 resulting in an average monthly increase of \$8 in 2004...." Please provide all
5 studies, documents, data, calculations and workpapers used in calculating
6 these values.

7
8
9 A. The requested information is no longer relevant since Government has
10 directed that isolated rural street and area lighting for Government Agencies
11 continue to be charged the same rates as Island Interconnected customers.
