

1     Q.     Please provide, in electronic format, Table 8 of Mr. Banfield’s Evidence, page  
2             19: “Comparison of Revenues Based on Existing and Proposed Rates 2004,”  
3             with all related data, calculations and worksheets, and all links in working  
4             format.

5

6

7     A.     The electronic version of Table 8 is attached as file PUB 37.xls. Data for this  
8             table was manually compiled from revenue forecast models. There are no  
9             related linked files.
