

1    Q.    Over how many years are vehicles depreciated? If it depends on the type of  
2           vehicle, please provide a breakdown by type.

3

4

5    A.    All cars, vans and medium/heavy trucks are depreciated on a straight line  
6           basis over a 5-year period. All pick-up trucks are depreciated on a straight  
7           line basis over 6 years.
