

1 Q. Has Hydro consulted other electrical generation utilities in Canada or the
2 United States, both regulated and unregulated, to determine what
3 guidelines/policies they may have with respect to the size of their capital
4 budgets? If so, provide the names of those utilities and copies of the
5 information provided by each of them.

6

7

8 A. Hydro has not consulted with other utilities to determine what guidelines/
9 policies they may have with respect to the size of their capital budget.
