16

17

18 A. Where a 2004 capital project requires expenditures beyond 2004, information
19 has been provided with the Application and the relevant individual capital
20 project explanations in Section B. The information requested relating to
21 proposed projects in the next five years that do not commence in 2004 is not
22 relevant or material to the Application for approval of the 2004 Capital
23 Budget. Refer to the decision of the Board in the hearing on Hydro's 2003
24 Capital Budget, Transcript Oct. 28, 2002 p. 19 lines 76-90.
