

1    Q.    With respect to the proposed generation projects for 2004 provide a list of the  
2           proposed construction and property additions projects in order of priority from  
3           most essential to least essential.

4

5

6    A.    Hydro did not rank the capital projects proposed in the 2004 Capital Budget  
7           in order of priority. Hydro considers all projects included in its Application for  
8           approval of its 2004 Capital Budget to be of a priority nature and required to  
9           provide reliable service and facilities to its customers which are reasonably  
10          safe and adequate and just and reasonable as required by Section 37 of the  
11          Public Utilities Act.
