

1 Q. As a member of the Canadian Electricity Association, please provide copies  
2 of the following:

3

4 1. 2001 Industry Environmental Commitment and Responsibility (ECR)  
5 Program Annual Report

6 2. 2000 Industry Environmental Commitment and Responsibility (ECR)  
7 Program Annual Report

8 3. CEA's Annual Industry Review, Electricity 2003

9 4. CEA's Annual Industry Review, Electricity 2002

10 5. 2001 Accident Statistics Report

11 6. Most recent publication entitled "Generation Equipment Status Annual  
12 Report"

13 7. Most recent publication entitled "Forced Outage Performance of  
14 Transmission Equipment"

15

16

17 A. The reports requested were prepared by a third party, not Hydro. Hydro has  
18 not relied upon any of the requested reports in the preparation of its 2004  
19 capital budget. These reports and their contents are not relevant or material  
20 for the matters under consideration in this hearing.

21

22 The following reports are available from the CEA website, free of charge:

23 1. 2001 Industry Environmental Commitment and Responsibility (ECR)  
24 Program Annual Report

25 2. 2000 Industry Environmental Commitment and Responsibility (ECR)  
26 Program Annual Report

27 3. CEA's Annual Industry Review, Electricity 2003

28 4. CEA's Annual Industry Review, Electricity 2002

1       The reports entitled “2001 – Accident Statistics Report”, “Generation  
2       Equipment Status Annual Report”, and “Forced Outage Performance of  
3       Transmission Equipment” are subject to copyright and are available from  
4       CEA with different rates for CEA members, study participants and the  
5       general public. The price of these reports for non-members is \$100, \$200  
6       and \$300 per copy, respectively.
