

- 1 Q. Ref: Schedule B, Replace VHF Mobile Radio System, p. B-71. Has Hydro
2 selected the third party who will provide ongoing maintenance of the system
3 wherever located at non-Hydro sites (see *Business Case*, Section 2.5, p.4)?

6 A. The third party who will supply ongoing maintenance on the system located
7 at non-Hydro sites has yet to be determined; the choice of a supplier for this
8 service will depend almost entirely on the supplier of the system that will be
9 chosen.
