

- 1 Q. **Re: p. B-134** Explain why it does not appear that public tenders will be
2 called in respect of any part of this project and, if Hydro has an ongoing
3 contract for any of the work or materials referred to in this project which
4 extends into the year 2005, provide a copy of such a contract or, if it has not
5 been reduced to writing, provide the terms and conditions thereof as Hydro
6 understands them.
7
8
9 A. Hydro will be calling public tenders in respect of this project.
