

1 Q. **Re: p. B-13** With reference to page 12, section 6.3 of the foregoing Report,
2 has the cost for the replacement penstock with fiberglass or high density
3 plastic products, in 2006, been estimated?
4

5
6 A. The estimate provided is for replacement with a steel penstock. Other
7 options will be considered during the design phase in 2005. The final
8 decision will be based on cost and technical evaluation including life cycle
9 cost.
