

1    Q.    Reference: Regulated Activities: Evidence, p. 12 (lines 6-8). Have any of the  
2           53 positions in the full time complement of Hydro's regulated activities been  
3           filled with temporary, casual or contractual employees or by external  
4           contracts or consultants. If so, please provide details.

5

6

7    A.    Please refer to CA 127 NLH where it is indicated that 59 positions were  
8           deleted and 22 new positions were added during the period. These refer to  
9           complement positions, while the remainder were temporary positions. Hydro  
10          does not have contractual employees. Hydro's Employee Assistance  
11          Program is now being managed by an outside firm after the retirement of one  
12          employee.
